My dear Sir,

I am directed to return the papers received with Mr. Banerji's letter of the 6th June, regarding the appointment of Dr. Gabriel to the Mysore Medical Service and to say that Dr. Gabriel may be asked if he is willing to accept an appointment here for a term of five years, and what salary he would expect. Mr. Banerji would perhaps be the best person to write to, as he will shortly be in England himself and will be able to ascertain the necessary particulars from Dr. Gabriel direct and also let you know what opinion he forms of him.

Yours Sincerely

Dear Mr. Bannerji,

Will you please refer to your letter of the 6th June to the Huzur Secretary regarding the appointment of one Dr. Gabriel to the Mysore Medical Service. Now that you are in England yourself could you kindly communicate with Dr. Gabriel and ascertain whether he would be willing to accept an appointment here for a term of 5 years and what salary he would expect. Dear Mr Kaulay Wes

In reply to your letter dated the 27th August 1919, I enclose a reply received from Dr Gabriel which will speak for itself.

I have seen him and am very favourably impressed with him, both as regards his qualifications and his general capabilities. I think he will without doubt be a great acquisition to the Mysore medical service.

I would recommend that he may be entertained on a five years' agreement and started on a salary of 600 Rs per mensum, rising to 800 Rs on an annual increment of 50 Rs. Nothing need be said about his permanent retention in Mysore, but should he prove in every way satisfactory we may then consider the question according to circumstances.

I may add that it is desirable not to give him a maximum after five years which will be equal to the pay of a surgeon of the first class in the existing organisation of the department.

Yours Sincerely
A Chirol

Dear Sir,

In reply to your letter No. 1275-CB. 186-19-6, dated. 9th M March 1920, I write to inform you that I am unable to submit proposals regarding the posting of Dr. Gabriel whose appointment as a Surgeon on Rs. 600-50-800 against the vacancy existing in the sanctioned grade of 550-25-700 is said to have been sanctioned, as the same involves unmeritted supersessions of several enthusiastic officers who have already put in many years of hard and efficient service. In this appointment the existence of this office, I beg to add, has been altogether ignored.

Yours sincerely,

Senior Surgeon.
